Heading the list of educational system leaders chosen in School Directors' balloting in the cities, boroughs and townships of Lackawanna County was the reelection of Dr. John H. Dyer as Superintendent of Scranton Public Schools.

Dr. Dyer, who has served as superintendent the past 18 years, was chosen unanimously by a School Board which in the past has been split on a number of issues.

There was no increase in salary, but this is attributed to the fact that about five months ago Dr. Dyer, then receiving \$7,500 annually, was given a 10 per cent increase, bringing his current income to \$8,250.

A highlight of the election was the fact that President John Erhardt, on the suggestion of Nelson Nichols, chairman of the Education Committee, vacated his chair in order to make the motion that Dr. Dyer be renamed.

President Erhardt said:

"I want to nominate the gentleman who has served in the capacity of Superintendent of Schools the past 18 years. His past performance has been generally most satisfactory. I take pleasure and pride in nominating Dr. John H. Dyer, who merits the job."

Albert Davis seconded the motion. Mr. Nichols moved that the nominations be closed. Vice-President Daniel Beynon presided after President Erhardt vacated the chair.

Results of elections in other districts follow:

CARBONDALE: Reelected to a fourth term was Supt. Mary B. McAndrew, whose salary was increased from \$4,500 to \$4,800 annually.

Fell Township: Prof. John H. Campbell was reelected to his sixth consecutive term as superintendent. His salary was fixed at \$4,500 —same as that of the last term. The election was unanimous.

In 1905 he was elected as supervising principal and served in that capacity until 1921 when the increase in township population warranted a change from supervising principal to superintendent. His record was lauded by School Directors.
